## Best Travel Destinations for Families with Teens

March 21, 2023

For families traveling with teens this spring, we've rounded up some of the best resorts in North America and the Caribbean with unique teen programming, including hotels with underwater-themed bowling alleys and go-karting to fly-fishing and hiking excursions.

### **Keswick Hall | Charlottesville, Virginia**

The historic resort just outside of Charlottesville offers teenagers visiting colleges the perfect place to stay to experience a true sense of place and get to know the heart of America's birthplace. Keswick Hall is a stately retreat with sweeping views of the Blue Ridge Mountains and experiences that showcase the region's bounty. Guests can enjoy a relaxing treatment or sports massage in the brand-new Keswick Hall Spa, play a round of golf at the resort's award-winning Full Cry Golf Course, play a casual game of tennis on the resort's clay courts, and enjoy farm-forward meals at Marigold by Jean-Georges. Nearby, teens scouting colleges can take a tour of University of Virginia, or learn about the nation's complex history at Thomas Jefferson's Monticello and James Monroe's Highland Estate. Beginning this summer, guests will also enjoy pickleball and relaxing by the family-friendly pool. Families with teens can book luxurious rooms, or book a suite with an add-on room with separate entrances.
