KESWICK RECREATION CALENDAR 2019

FITNESS

Flavors of Fitness

Saturday, March 9, 8-9am

We will work on the four types of components of fitness—muscle strength, muscle endurance, cardiorespiratory endurance and flexibility. Come join us for a total body workout! All levels are welcomed.

Wednesday Core Class Update

Beginning in March, the Wednesday 8:30am 30-minute core class will increase to 45 minutes so that we can include 15 minutes of HIIT training. HIIT training is short periods of intense anaerobic exercises with shorter periods of active recovery. All levels are welcomed.

MARCH EVENTS (RR)

Pollinator Bee House Making Workshop

Saturday, March 9, 10am, \$35 per person

Join our resident gardener, Yara Acker, in the Club Grill. Yara will teach and supply all the tools and supplies to make your very own pollinator house for your back yard. Many of us are aware of the importance of the honey bee in our environments but often we overlook some of the other important pollinators. We will be focusing on making a home for the mason bees. These little pollinating bees are extremely important for our flowers and fruits. By increasing suitable environments for them to flourish in our own yards, it will increase the amount of flowers and fruits in our community. Call the Club Concierge at 434-923-4363, opt. 6 or email concierge@keswick.com to reserve your spot.

Reservation/cancellation deadline is March 8, cancellations after deadline will be subject to charge.
